

Friday Night Couples Golf May 2, 2008 6:00 p.m.

Join us for the opening night of Friday night couples golf. The first event will be in celebration of Cinco De Mayo, (actually Does De Mayo, May 2nd, ah.... get it?). This will be a four person scramble with some special holes. Ever hit your tee shot off of an ass (i.e donkey complete with saddle) - probably not. Ever putt a thirty footer one handed while holding a bottle of Jose Cuervo – probably shouldn't answer that one.

The cost is \$10 per couple all going to the prize fund and hole prizes. We will have dinner and bar specials. Sign up downstairs or call the pro shop – sign up with another couple or we can pair you up.
